Update from the Director

Happy Spring! CAM has had a quiet few months in terms of putting on trainings, but we have been keeping busy planning! Along with MCSART, we are excited to share our new training calendar for April 2018-June 2019 with you on page 2. We have also been going through our data and reflecting on all that we accomplished together in 2017. We've included a short snapshot of our 2017 highlights with this newsletter, and we'll be sharing a more detailed 2017 annual report within the next few weeks.

April is National Child Abuse Prevention Month. The National Children's Alliance compiled data from CACs around the country and found that, according to their most recent data, there were an estimated 676,000 victims of child abuse and neglect in the US in 2015, and an estimated 1,750 children in the US died from abuse and neglect in 2016. As sobering as these numbers are, CACs around the country - including here in Montana - served over 324,000 child victims of abuse, providing these children and their families with invaluable victim advocacy and support. Thank you for your tireless efforts to prevent child abuse here in Montana.

-Brenda George, Executive Director

Training Events

Advanced Medical Issues in Child Abuse Training - Missoula

Dr. Kathryn Wells, M.D., F.A.A.P. will conduct this training at Providence St. Patrick's Hospital in Missoula on **April 13 from 8AM-5PM**. Dr. Wells will share her impressive child abuse expertise and show how a child abuse case moves from initial presentation to CPS through the courtroom, review up-to-date guidelines on physical abuse assessment, and demonstrate court testimony (including direct and cross examination) with a prosecutor. Additionally, CPS staff will provide information and answer questions about reporting. While designed for medical professionals, this training will be of value for other MDT members as well. A few remaining spots are still available. Virtual attendance may also be a possibility. Contact Jacole at training@childrensalliancemt.org for more details.

CAC Directors Rendezvous

CAM and MCSART's annual rendezvous for CAC Directors and MDT Coordinators will take place **May 2-3** at Fairmont Hot Springs in Anaconda. Registration is now open. Contact Jacole at training@childrensalliancemt.org for more details.

Montana Child Forensic Interview Training

The next Montana Child Forensic Interview training will take place on May 21-25 in Helena. Contact Kayla Argeropoulos with the Montana Child Sexual Assault Response Team at kayla.argeropoulos@mt.gov for more information.

NCAC Advanced Forensic Interview Training

The NCAC has two Advanced Forensic Interview Trainings scheduled for 2018:

- April 24-26 in Minneapolis, MN
- September 18-20 in Kiawah Island, SC

The trainings are designed experienced interviewers who are currently part of an MDT and conduct forensic interviews with children. Find more details at <https://goo.gl/U1V21s>.

MISSION & ACTIVITIES

The Children's Alliance of Montana and the Montana Child Sexual Assault Response Team work together to provide support, training, and technical assistance to professionals working on Multidisciplinary Teams and in Children's Advocacy Centers to strengthen their response to child abuse and promote healing for victims and their families.

We provide professionals across Montana with training, technical assistance, peer review, and consultation calls on various topics, including child forensic interviewing, medical issues in child abuse, victim advocacy, evidence-based mental health assessments, and trauma-focused cognitive behavioral therapy. We also contribute to multiple national and statewide initiatives working to address and prevent child abuse.
