Movie Premiere of "Cracked Up" Featuring Darrell Hammond from Saturday Night Live

Tuesday, January 14, 2020

7:00 p.m. to 8:30 p.m.

**Big Sky, MT - Buck's T-4 Lodge,
Montana Room**

In *Cracked Up* we witness the effects adverse childhood experiences can have across a lifetime through the incredible story of actor, comedian, master impressionist and Saturday Night Live veteran, Darrell Hammond. Behind the scenes, Darrell suffered from debilitating flashbacks, self-injury, addiction, and misdiagnosis, until the right doctor isolated the key to unlocking the memories his brain kept locked away for over 50 years. *Cracked Up* creates an inspiring balance between comedy and tragedy helping us understand the impact of toxic stress and childhood trauma in a new light, breaking down barriers of stigma and replacing shame with compassion and hope.
