

CAM Objectives

- Promote the development and expansion of CACs and MDTs.
- Promote accreditation with the National Children's Alliance.
- Provide trainings, technical assistance, and mentoring to communities developing MDTs & CACs
- Identify & coordinate funding opportunities for CACs & MDTs
- Promote networking at annual meetings and statewide events
- Assisting professionals to remain current on best practices
- Educate regarding public policy & legislation impacting CACs & MDTs
- Promote System Improvements for crimes against children through OMS—Outcome Measurement Systems.

What MDT Members in Montana had to say about the CACs, the MDT process and Case Review.

"The CAC is the best way to serve the children due to the center's team approach"

"We have a strong CAC program and a high functioning MDT with great support from our community's criminal justice and child welfare leaders. Our CAC director, does a great job of fostering a healthy team."

Please share any additional observations, opinions, concerns and/or recommendations.

The Children's Alliance of Montana is an Accredited Chapter of the National Children's Alliance.

Children's Alliance of Montana

Strengthening teams and Children's Advocacy Centers by empowering professionals to hold offenders accountable and to help children heal.

CAM Staff:

Brenda George, Executive Director
Phone: 406-672-2136

Dani Peterson, Membership and Project Coordinator
Phone 406-939-0331

www.childrensalliancemt.org

CAM's Vision

Let no child in Montana face the trauma of child abuse alone.

Let every abused child in Montana have the chance to heal.

CAM's Mission

That every child in Montana has access to a Children's Advocacy Center and the expertise of professionals on a Multidisciplinary Team.

Provide support, training and technical assistance to professionals working on Multidisciplinary Teams and in Children's Advocacy Centers to strengthen their response to child abuse and promote healing for victims and their families.

Member Benefits

- ⇒ Team, Staff and Board Technical Assistance
- ⇒ Training opportunities
- ⇒ Mentoring
- ⇒ Stipends for trainings
- ⇒ Resources
- ⇒ CAM Newsletter
- ⇒ Participation in state & national Outcome Measurement System (OMS) Evaluation Project

Children's Advocacy Centers

Children's Advocacy Centers (CACs) provide a child-friendly environment where children feel safe and comfortable while they are being interviewed by trained professionals regarding alleged abuse. Professionals representing key disciplines work as part of a coordinated intervention to reduce trauma to children and families, improve health and welfare and hold offenders accountable.

1851 Children Served

1467 Forensic Interviews

658 Medical Exams

Forensic Interviews & Medical Evaluations

Specially trained professionals interview children at a CAC or child-friendly environment.

Outcome Measurement System — OMS

Montana CACs participate in a national Outcome Measurement System to assess and improve services provided to children and families and MDT Professionals.

What CAC families say about the MDTs and CACs in their communities:

"Honest, upfront, compassionate - understanding, privacy offered."

"So grateful that this service is here in our community"

"Warm, friendly, caring, resourceful"

What did you appreciate the most about your experience at the Center?
