The focus of E3 is to provide training to victim advocates in trauma responses, brief mental health screening, evidence-based trauma-focused treatments, identification of treatment needs, referrals for mental health services, and evidence-based engagement skills. This presentation will give participants the opportunity to learn more about the E3 training and have any questions answered.

PRESENTER: Geoff Sidoli, MSW, LCSW, National Children's Alliance- Geoff is the Coordinator for Mental Health Programs at the National Children's Advocacy Center.

Learning Objectives:

- Better understand screening and assessment process for treatment needs through E3 training.
- Will gain knowledge about referring for treatment based on the needs identified through the screening and assessment.
- Understanding of engagement that improves treatment through attendance and participation toward successful completion.

This training event is sponsored by the Children's Alliance of Montana and the MCSART Program of The Montana Department of Justice Special Services Bureau
