- 9:00-11:30** **"Erasing the Gap - The Importance of Building Connections"** – Provide skills to support your work to increase problem-solving; emotional, mental, and physical health; and resiliency of youth. This session will challenge and inspire you to further your work with youth to help them overcome the challenges of adversity and trauma.

Gaelin Elmore, Speaker, Facilitator -- From foster care, abuse, and homelessness, he had an adverse childhood. That journey led Gaelin to the NFL, and to stages across the country, aiming to inspire, encourage, and equip others to think differently about their work and its long-term impact on others.

11:30-1:00

Lunch (on your own)

1:00-2:30

Exploring Alternative Hypothesis - An integral part of every forensic interview should be the exploration of various hypotheses that lead to an allegation. But how do you do this without leading the child to a suggested alternative? We will discuss confirmation bias, how to mitigate this along with open-ended ways to address hypothesis testing.

Crimson Barocca, LCSW-C - Crimson is the Manager of Forensic Interview Research & Education at Center for Hope Forensic Services (formerly Baltimore Child Abuse Center).

Nicole Lytle, PhD. - Nicole E. Lytle is an associate professor of social work and child advocacy at Montclair State University.

2:30-2:45

Break

2:45-4:45

The Caregiver Interview -- Best practices applied to improve the quality of information gathered from adults -- specifically outcry witnesses in sexual abuse cases. Aspects of the Cognitive Interview will be reviewed as they apply to learning a structured approach to caregiver interviews. MDT approach, video recording and timing of interviews will be reviewed.

Crimson Barocca, LCSW-C - Crimson is the Manager of Forensic Interview Research & Education at Center for Hope Forensic Services (formerly Baltimore Child Abuse Center).

Nicole Lytle, PhD. - Nicole E. Lytle is an associate professor of social work and child advocacy at Montclair State University.

4:45 – 5:00

Wrap Up – Evaluations

DAY THREE: Thursday, February 29

8:30-10:00

Digital Crimes – An Update on Technology Trends and Dangers for Youth
